Topic	Notes
Welcome	
General Meeting Announcements/Notes	<p>Reviewed Item Mapping needs for Regents Item Analysis reports.</p> <p>Reviewed schedule for report availability for spring assessments</p>
793 Plan Objectives	
<p>Provide data views and reports for use in a multiple measure data approach to assess, analyze and prescribe learning plans for all students.</p>	<p>Reviewed updates to Level 1 Report-Level 1 District Dashboard: went over data available, how to navigate, how to access additional information from the dashboard.</p> <p>Discussed Assessment Analysis tab and how it can be used as a starting point for discussion with districts in the analysis of their NYS Assessment data</p> <p>Preparing to create new reports in PDF or PPT format for use in presentations for BOE and other district groups. Mike shared work he is currently doing with a couple districts on this.</p>

## 793 Plan Shareholder Report Out

### Data Leadership

**GOAL:** Lead, guide and support regional instructional and administrative data requirements and district needs

# Data Coordinators

<p>Provide guidance and support for NYSED data collection, requirements, and reporting process.</p>	<p>Discussed the idea of collecting data on PBT vs CBT, some districts are asking for this information; we have this data available, looking into how we can present this in a meaningful way as this issue is a short-term situation</p> <p>Planning training with BOCES professional development staff, CA BOCES 3/5, Erie 1 BOCES tentative 3/11 (Erie 2 and ON declined)</p>
<p>Implement and support new and existing data management systems that enhance regional services.</p>	<p>Looking into new ways of supporting district needs around Suspension data; currently SIRS collects only absences related to suspension. In 24-25 the collection will expand to include additional discipline data on violent incidents.</p> <p>Request for additional reporting on suspension information at the regional/BOCES level.</p>
<p>Closing Comments</p>	<p>Next meeting will be scheduled during the summer due to availability</p>
